TRIBUTE OF RESPECT.

TRIBUTE OF RESPECT.

In the Hustings Court to-day Mr. R. B. Davis, in a few appropriate remarks of eulogy, presented the resolutions of respect recently adopted at the meeting of the members of the bar and officers of the courts of this city on the occasion of the death of Alexander Donnan, and asked that the court order them to be spread upon the records.

Mr. George Mason also presented the resolutions in respect to the memory of Mr. W. L. Watkins, and asked that they be spread upon the records of the court, accompanying the request with a beautiful tribute to Mr. Watkins.

The court issued the order of record, and then out of respect to the memory of the two oldest members of the bar, who had practiced their profession here for half a century, adjourned for the term.

A LONG TRIP BY WAGON.

Mr. William Bennett and Mr. Leslie Bennett, brothers, who for some years past have been farming with their father in Chesterfield county, arrived here this morning, and to-morrow will leave for the far West to make their fortunes. They have a good pair of horses and a strong, double wagon, in which they expect to make the long trip. Their destination is the Cherokee strip. They are thoroughly equipped for the trip, have all the necessary bedding, cooking utensils and conveniences and are well armed. They expect to be on the road for fully three months. The Messrs. Bennett are active and energetic young men, and they leave their home in Chesterfield because they say farming is not profitable in old Virginia. Their team was inspected with interest by many of our people to-day, who expressed their good wishes for the young men.

A LIVERY-STABLE BURNED.

Forty-six Horses Gotten Out Safely-Tw Others Badly Injured-Other Notes.

(Correspondence of the Richmond Dispatch.)

ALEXANDRIA. VA., April 5.—Fire this morning destroyed the large boarding fivery-stable on Washington street near the corner of King. The property belonged to the estate of the late John Lannon and was leased by Messrs. Patterson & Brother. The fire was first discovered by Elvert Roberts, the night watchman, who saw sparks falling down from the hayloft, in the second story. He immediately gave the alarm, but before the engines could reach the scene the whole building was in a fierce blaze.

ALL SAYED BUT TWO.

Forty-eight horses were in the stables at the time of the fire and were all gotten out in safety with the exception of two, one belonging to Mr. G. William Ramsay and the other to Weil Brothers. The horse of the last named was so badly injured that it was shot this morning. A few of the hacks and carriages in the carriage-house were accrebed, but none were burned.

The loss will amount to about \$4,500. Partially insured.

Partially insured.

Some of the most valuable stock owned in Alexandria were boarded at the burned stable, and their owners are rejoicing over the fortunate escape of their animals. NEW INDUSTRY.

The first of the new manufacturing plants to be established in New Alexandria was yesterday incorporated by Judge Norton, of the Corporation Court. The new concern is the New Alexandria Woodenware Company, whose object is to manufacture all kinds of woodenware. Five thousand dollars is its capital stock, and J. R. Catton is its attorney and its principal office is here. L. W. Spear is its president, and G. E. Shemehon is its secretary and treasurer.

Contrary to the general expectation, the State made no presentments to the grand jury in the County Court of the gamblers in business at "Monte Carlo" and no indictments were returned.

The annual meeting of the Alexandria Board of Trade was held last night. Mr. R. A. Reid was re-elected president, and William M. Reordon secretary. Resolutions in favor of the international naval review at Hampton Roads in honor of Columbus were adopted. Messrs. Beekham. Hey. H. L. Derby, rector of St. Paul's Protestant Episcopal church, preached his last sermon at that church on Sunday, faving accepted a call to Accomac county for which field he will soon leave. Mr. Derby is very popular throughout this county, and his departure will be greatly regrotted.

Dyspepsia

Makes many lives miserable, and often leads to self destruction. Distress after eating, sick headache, heariburn, sour stomach, mental depression, etc., are caused by this very common and increasing disease. Hood's Saraparilla tones the stomach, creates an appetite, promotes healthy digostion, relieves sick headache, clears the mind, and cures the most obstinate cases of dyspepsia. Read the following:

"I have been troubled with dyspepsia. I had but little appetite, and what I did eat distressed me, or did me little good. In an hour after eating I would experience a faintness or tired, all-gone feeling, as though I had not eaten anything. Hood's Sarasaparilla did me an I nense amount of good. It gave me an appo. ', and my food-cellshed and satisfied the craring a nad previously experienced. It relieved me of that faint, tired, all-gone feeling. I have felt so much better since I took Hood's Sarasaparilla, that I am happy to recommend it." G. A. Page, Watertown, Mass. N. B. Re sure to get only
